

RAY BRADBURY

April 20, 1992

Dear Sylvie Thierry:

I have only recently received a copy of "Today in English" with the huge enclosure of "Fahrenheit 451". It was a terrific experience for me to see this. It is the most unusual publishing event I have ever had in a magazine anywhere at any time. I just wanted to thank you for this gift, this treasure.

I will be in France for the months of July and August and if at any time I can be of any service to you and your magazine, I'd be glad to be of help. Meanwhile, much, much thanks for this experience.

Yours sincerely,

Ray Bradbury
